

## THE MARYLAND GENERAL ASSEMBLY

ANNAPOLIS, MARYLAND 21401-1991

June 5, 2019

The Hon. Lawrence Hogan, Governor  
State House, 2<sup>nd</sup> Floor  
100 State Circle  
Annapolis, MD 21401

Governor Hogan:

We write to you today urging you to commit to releasing \$1.6 million in aid to the Baltimore Symphony Orchestra (BSO) that has been included in the Fiscal Year 2020 operating budget. As you are aware, BSO management recently announced their intention to cancel the orchestra's summer programming and reduce the orchestra's season to 40 weeks. It is our understanding that these decisions were made, in part, because of uncertainty whether you would release funding for the upcoming fiscal year.

We are concerned that these actions may have an irreversible impact on the quality of this world-class orchestra and will unfairly impact the BSO musicians and their families. Time is of the essence, as BSO management plans to cease paying the musicians after June 16<sup>th</sup>.

Nobody will dispute that the BSO must make significant changes to its current practices if they are to be sustainable for the long term. That is why the legislation to provide short term financial support also created a working group that will bring everyone to the table to make those choices. Both the working group and the financial assistance are necessary to ensure the things that make the BSO a world-class orchestra are not lost during any restructuring.

The Baltimore Symphony Orchestra is truly a statewide cultural resource, performing regularly at the Strathmore in Montgomery County and at events across the state. Their education programs reach schools in nearly every Maryland county and even internationally. Losing the BSO or seeing it diminished would be a tremendous loss for Maryland. Again, we urge you to commit to releasing the \$1.6 million grant to the BSO included in the Fiscal Year 2020 budget.

Sincerely,
